Hunter Jumper and Dressage Association
2006 Year End Award Point Standings**

In order to qualify for Year End Awards, you must have shown the same horse in three out of the four shows in the HJDA series and been entered in the September show to receive your prizes. Dashes indicate Rider did not enter a show. Zeros indicates no points were earned at a show. Only qualifying entrants are included on the first chart. Year End Award Winners are listed on the second chart. Thank you to all who showed with us this year. We hope to see you back next season!
